

Take a Dip ? Scona Pool Reopens

Scona Pool reopens on September 9, 2013 after repairs to the popular southside pool.

The City of Edmonton welcomes back regular patrons and newcomers. During the shutdown, general maintenance and deep cleaning were completed and an anti-slip coating was applied to the pool deck areas. Pool tile, grout and filter tanks were repaired.

The upgrades and maintenance at [Scona Pool](#) are part of the City's continued commitment to providing Edmontonians with high quality recreation facilities that help us all lead healthy and active lifestyles.
