

Proposal to rezone property in Elsinore

Citizens are invited to an open house to discuss a proposed rezoning of the Horrick's Dairy Farm located at [17310-97 Street NW](#).

The proposed rezoning would change the property from Agricultural Zone (AG) to Single Detached Residential Zone (RF1) and Low Density Infill Zone (RF2), which allow for the development of single-family housing. During the open house City representatives from Planning, Transportation and Drainage will be available to answer questions about the application.

Date: Thursday, September 26, 2013

Time: Drop in between 6 p.m. and 8 p.m.

Location: Bishop Greschuk Elementary School, 17330-91 Street NW

This meeting is an opportunity to learn more about the proposed rezoning and provide feedback to the City. Feedback will be summarized in a report to City Council before they make their decision on the rezoning.

Zoning information will be available at the meeting.
