

## The future is now at the Muttart Conservatory

### *Orchids and crystal balls share the spotlight in feature pyramid*

Will you meet a handsome stranger? Does a sea voyage lie ahead for you? The answers may be found in the Muttart Conservatory's new feature pyramid: *What Your Fortune May Tell*.

As visitors wander through the rich tapestry of orchids and chrysanthemums, they can look for hints of what's to come in the crystal balls and tarot cards displayed in this mysterious show. This feature pyramid display will run from September 28 to November 17, 2013.

Comedy fortune tellers will be at the Muttart on Sunday, October 20, 2013 for the Fortune Tellers Halloween event. Costumes, candy and crafts will be in the future for all who participate. It's a perfect choice for young families who are looking for a Halloween event that's not so frightful.
