The National Volunteer Programme for the FIFA Women's World Cup Canada 2015™ and the FIFA U-20 Women's World Cup Canada 2014 was launched October 8, 2013 at Parliament Hill in Ottawa as part of the Official Host City workshop taking place in Ottawa.

Hundreds of volunteers will be required in Edmonton and other host cities for the FIFA U-20 Women's World Cup Canada 2014 competition taking place between August 5 and 24, 2014. The FIFA Women's World Cup Canada 2015™ will need hundreds more to help ensure Canada delivers the most successful FIFA Women's World Cup™ ever from June 5 to July 6, 2015.

"Excitement about the sport of soccer and the upcoming FIFA events is building in Edmonton, and by next August we will be ready to share the wonderful spirit of our community with the world," said Mayor Stephen Mandel. "I am confident that Edmontonians will once again step up to show their winning spirit by volunteering to be part of this world-class event."

"As part of the team helping to deliver these two world-class competitions, volunteers will play an important role in establishing a meaningful legacy for sport and women's soccer in Edmonton," said Victor Montagiani, Chairman of the National Organising Committee for the FIFA Women's World Cup Canada 2015™ and the FIFA U-20 Women's World Cup Canada 2014. "It would be impossible to stage this event without the effort and passion of Albertans committed to volunteering."

Volunteers are encouraged to apply to become a part of the FIFA U-20 Women's World Cup Canada 2014 and the FIFA Women's World Cup Canada 2015™. The FIFA U-20 Women's World Cup Canada 2014 is a critical lead-in event to the FIFA Women's World Cup Canada 2015™. Those who volunteer in 2014 will help ensure a high level of excellence by developing into volunteer leaders and creating momentum for the larger event taking place the following year.
