Aquatic facility reopens after maintenance shutdown

Terwillegar Community Recreation Centre's aquatic facility reopens on November 6, 2013 after repairs and maintenance were completed. Work undertaken during the shutdown includes:

- Trench drain replacement and repairs on the pool deck and in the change rooms
- Tile work and repair
- Installation of a new water meter, handrails and a step for the slide exit
- Maintenance and repair to pumps, motors and valves
- Replacement of all underwater lights
- A deep clean and regular maintenance to the facility

The City of Edmonton welcomes back regular patrons and newcomers. The upgrades and maintenance at Terwillegar Community Recreation Centre aquatic facility is part of the City's continued commitment to providing Edmontonians with high quality recreation facilities that help us all maintain healthy and active lifestyles.
