

## No Parking on Signed Routes as of 1 a.m. Thursday, December 5, 2013

Citizens are reminded that the seasonal parking ban on signed collector/bus routes takes effect at **1 a.m. on Thursday, December 5, 2013**. Vehicles not removed from signed bus routes are subject to tagging and towing. Enforcement will start at 1 a.m. and will continue through the duration of the ban.

There is **NO parking permitted until the seasonal parking ban has been lifted for the City**. Even if plows have already made one pass on these routes, it may be necessary for crews to return or there may be additional precipitation that requires the ban be extended.
