Get out and shape your winterscape!

Your front yard can be in bloom all year round, with Edmonton set to launch its first annual [Front Yards in Bloom: Winterscapes](#) program. Edmontonians of all ages are encouraged to celebrate winter and beautify their neighbourhood by creating unique winterscapes. Nominate your friends and neighbours for their winterscapes and a chance to win an award.

A winterscape can include snow, ice, lights, landscaping, ornaments, and winter-themed scenery—your imagination is the limit! Individuals, families and teams can participate by building a winterscape in the front yard of their residence, community hall, or school.

In order to meet eligibility requirements, a winterscape must:

- include visible plant material, snow and/or ice
- appeal to a general audience
- be well-maintained

Nominations will be accepted February 3 to March 9, 2014. Those who submit nominations will be entered into a random prize draw for some cool prizes.
