Two more routes get Smart Bus technology

Edmonton Transit System (ETS) routes 7 and 57 will be the newest additions to Smart Bus, beginning Sunday, February 9, 2014.

Customers on ETS routes 111, 128, 7 and 57 are able to access both scheduled and real-time estimated departure times using the ETS Live@ suite of customer information tools.

ETS Live@ Email & Ride, and the ETS Live@ Bus Finder web service are available at takeETS.com/ETSLive. Customers at University and West Edmonton Mall transit centres can also get real-time schedule information from the ETS Live@ Departures Boards installed on site. Information for all other routes is scheduled departure times only.
