### Public Meeting: Laurier Heights neighbourhood reconstruction

Laurier Heights residents and property owners are invited to attend a final public meeting about upcoming neighbourhood reconstruction scheduled to begin this spring.

**Date:** Thursday, February 13, 2014

**Time:** 6:30-8:30 p.m.

**Location:** St. Rose Junior High School, 8815-145 Street

The City will share the final neighbourhood design, including pedestrian and cycling accessibility and improvements. Property owners will learn more about the local improvement process and what to expect during the two-year construction process.

Neighbourhood reconstruction is part of the City of Edmonton's Building Great Neighbourhoods initiative. It includes resurfacing of roadways, streetlight upgrades, and reconstruction of sidewalks, curbs and gutters. Reconstruction is partially funded by the 1.5% (2014) Neighbourhood Renewal property tax.

Display materials and project team members will be available for discussion. There will be a presentation at 7 p.m.
