## Census workers needed to count Edmontonians in

The City of Edmonton is looking for 800 census workers to visit the homes of Edmontonians beginning in May.

If you are a people person, detail-oriented and enjoy walking, this is a great way to make some extra money on a short-term project.

It will take about three weeks to visit all the residences in an assigned area. Hours are flexible, but census workers must be available to work days, evenings and weekends.

Census workers will be gathering information from Edmontonians who did not count themselves in a new online census.

Census workers are required to complete a three-hour training session in April.

Position descriptions, compensation details and application forms are available at [edmonton.ca/census](http://edmonton.ca/census).

Application forms can also be picked up at the Election and Census Office, 16304-114 Avenue or at the Office of the City Clerk, 3rd Floor, City Hall.

For more information, call **780-496-8008**.
