City of Edmonton

Be informed about 102 Ave Bridge construction

On **July 1, 2014** the City will close the 102 Avenue over Groat Road Bridge to construct a replacement bridge. The public is invited to an information session to learn more about the project, including road closures, traffic detours and temporary bus routes during construction.

Date: Thursday, March 13, 2014

Time: 5 – 8 p.m.

Location: Royal Alberta Museum, 12845-102 Avenue

The century-old 102 Avenue over Groat Road Bridge will be demolished and replaced with a new bridge that maintains the existing four-lanes of traffic and accommodates both bike lanes and sidewalks. The project also includes brief shoring work on the Wellington Bridge that will allow truck traffic to reach the work site.

Construction is expected to last 15 months.
