City of Edmonton

Proposed rezoning in Strathcona

Citizens are invited to a public meeting about a proposed rezoning of properties at 9922, 9924 and 9926-89 Avenue NW. The rezoning would change how the property can be used, from a Low Rise Apartment Zone (RA7) to a Site Specific Development Control Provision (DC2). This application also proposes to amend the Strathcona Area Redevelopment Plan.

Date: Wednesday, April 16, 2014

Time: 7 p.m.

Location: Strathcona Community League Hall, 10139-87 Avenue NW

The DC2 Zone would allow the opportunity for Accessory Parking for commercial businesses at 8904 99 Street while retaining the opportunity for future residential development.

The meeting will be an opportunity to learn more about the proposal and provide your feedback to the City and applicant. Feedback will be summarized in a report to City Council before Council makes a decision on the rezoning.
