Share your views on proposal to rezone Lansdowne property

Edmontonians are invited to a public meeting and provide input on a proposed rezoning of property in the Lansdowne neighbourhood.

Date: Thursday, May 1, 2014

Time: 7 p.m.

Location: Avalon Junior High School, 5425-114 Street NW

The rezoning would change how the property can be used, from Single Detached Residential use (RF1 Zone) to Site Specific Development Control Provision use (DC2 Zone). The DC2 Zone would allow for limited commercial use with specific development regulations on the property.

The meeting will be an opportunity to learn more and provide your feedback to the City and property owner. Feedback will be summarized in a report to City Council before Council makes its decision on the rezoning.
