City of Edmonton

Street cleaning of major arterial roads scheduled

As part of the City of Edmonton's annual street cleaning campaign, Parks and Roadway crews will be working on major arterial roads from May 4 to May 15 (weather permitting).

There will be periodic lane reductions and closures on major arterials including Yellowhead Trail, Whitemud Drive, Gateway Boulevard, and on routes through the river valley. Crews will be clearing sand and trash from streets, medians and curbs.

Motorists are asked to watch for barricades, closures and lane reductions and to proceed with extreme caution to ensure the safety of both crews and drivers.

The City of Edmonton greatly appreciates your patience as we work to clean Edmonton's roadways.
