What's the latest buzz on mosquitoes?

Recent rainfall coupled with rising temperatures has led to an increase in mosquitoes. Media are invited to join Mike Jenkins, Biological Sciences Technician, and James Wilke, Director of Animal Care and Pest Management, as they discuss current mosquito conditions, recent mosquito treatment activity and the City's monitoring program.

Date: Wednesday, May 28, 2014

Time: 10:30 a.m.

Location: Beechmount cemetery, 12420 104 Street

Mike Jenkins will provide a live mosquito trap count demonstration.

The City monitors and updates the Edmonton mosquito activity weekly during the mosquito season. For the most up-to-date information, visit edmonton.ca/mosquito.
