## The Reuse Centre is moving!

The City of Edmonton invites residents to visit the much-loved Reuse Centre at its current downtown location (10004-103A Avenue) for the final time this week – before it moves to its new location on Argyll Road and 83 Street.

**Current location closing date:**

Sunday, June 1, 2014

**New location opening date:** Wednesday, July 2, 2014

**New Address:** 6835-83 Street (corner of 83 Street and Argyll Road)

The Reuse Centre accepts various reusable items from residents free of charge and makes them available to organizations and individuals for reuse. Residents can also save money by purchasing as many items as required (up to 50kg) for only \$5. The new location will offer a greater selection of materials, ample free parking and much more space.

Starting Tuesday, June 10, 2014, the new location will be open for donations only.
