City of Edmonton

Proposed rezoning of properties in Oliver

Citizens are invited to a public meeting about a proposed rezoning of 10227-115 Street NW and 10231-115 Street NW. An amendment to the Oliver Area Redevelopment Plan (ARP) will also be discussed.

Date: Wednesday, June 4, 2014

Time: 7 p.m.

Location: Oliver School, 10227-118 Street NW

The rezoning would change the types of developments that could occur on the site. The (RF6) Medium Density Multiple Family Zone would be changed to a (DC2) Site Specific Development Control Provision.

The proposed DC2 Provision would provide the opportunity for a four storey, low-rise Apartment House containing up to 19 residential dwellings. The proposed ARP amendment is to update applicable maps and does not change policy direction of the ARP.

The meeting will be an opportunity to learn more about the proposal and provide your feedback to the City and applicant. Feedback will be summarized in a report to City Council before council makes its decision on the rezoning.
