Location: Blatchford redevelopment site (former City Centre Airport).
Please meet at the control tower- 31 Airport Road.

Additional Notes: *Please wear shoes appropriate for a site under construction.*

About Blatchford

Blatchford is one of the largest sustainable redevelopment projects in North America. It will be a development for up to 30,000 residents who will live, work, learn and play in a community that uses renewable energy, is carbon neutral and that empowers people to pursue a range of environmentally friendly choices.
