Groat Rd, 107 Ave to River Valley Rd, re-opens to traffic

The City of Edmonton wishes to advise commuters that Groat Road between 107 Avenue and River Valley Road will be re-opened to two lanes of traffic in each direction effective 6:30 a.m. on Wednesday, July 9, 2014.

Demolition of the old 102 Avenue Bridge over Groat Road is complete, and crews will proceed with the construction of the new bridge, a project anticipated to last approximately 15 months.

The City greatly appreciates the patience of citizens as we work to rebuild this essential piece of transportation infrastructure. For details throughout construction, please visit the 102 Avenue Bridge project [website](#).
