Celebrate Christmas in ZOO-ly

The Edmonton Valley Zoo wants you to get out of the heat and into the Christmas spirit with some cool events. It's winter in Australia and to celebrate, we're inviting all Edmontonians to get in on some winter fun with our Australian inhabitants. Our emus, kookaburras, wallabies and bearded dragons are all ready for their special holiday treats!

Date: Sunday, July 13, 2014

Time: Noon – 4 p.m.

Location: Edmonton Valley Zoo, 13315 Buena Vista Road

Regular summer hours and admission rates apply.

Have your picture taken with Santa at the zoo's free photo booth. Make an animal craft or have your face painted. There's so much to do as we celebrate winter down under.

The zoo will also be celebrating Arctic Sea Ice Day in partnership with Polar Bears International. Every summer, the polar bears of Hudson Bay are forced ashore when the sea ice melts. We invite you to join us in Arctic Shores to learn about global warming, animal adaptations, and what you can do to save the sea ice that polar bears depend on.
