Flying Eagle Program soars to 10-year milestone

Media are invited to join Councillor Bev Esslinger and City program staff in celebration of the Flying Eagle Program's 10th anniversary.

Date: Monday, July 14, 2014

Time: Noon to 1 p.m.

Location: Glenora Park, 10426-136 Street

Created in 2004, the Flying Eagle Program educates children about Aboriginal culture through physical activity, games and crafts. The program operates over the summer and runs as part of the Green Shack playground program throughout Edmonton.

Councillor Esslinger and program staff will be on hand to speak about the program's history and how it has engaged a new generation of children in learning about Aboriginal history and culture.

All children who attend the event or visit a Green Shack this summer will also receive a free Flying Eagle book that teaches them about Aboriginal culture. The book is available in English and Cree, and is also available online.
