TD, Tree Canada and City of Edmonton plant for pollinators

Media are invited to join representatives from the City of Edmonton, TD and Tree Canada at the *Planting for Pollinators* event at the John Janzen Nature Centre.

Date: Thursday, July 31, 2014

Time: 5:30 p.m.

Location: John Janzen Nature Centre, 7000-143 Street

The Planting for Pollinators initiative is a result of a grant from TD Green Streets to support planting native trees, shrubs, and wildflowers which create a natural habitat for bees, butterflies and other beneficial insects. Representatives will be on hand to discuss the event as well as the Root for Trees program and other City-wide naturalization initiatives.
