Curb the heat; Eastglen Pool to re-open

Eastglen Pool re-opens at 8:30 a.m. on August 16, and facility employees are happy to welcome back returning and new pool users.

Initially closed for extensive upgrades, additional maintenance procedures were identified to upgrade the pool. The City of Edmonton is committed to providing Edmontonians with quality facilities. Proper maintenance ensures our patrons can enjoy facilities that are safe, secure and clean.

Eastglen Pool offers residents a number of amenities to enjoy. The aquatic area has a 25-metre gradual depth saltwater swimming pool, diving blocks, a saltwater whirlpool, steam room, shallow and deep waterslides, a platform, and pool toys. The facility also offers both standard and family change room facilities, a sundeck that is available to rent, meeting rooms, complimentary wallet and purse lockers, and ample parking.

Schedule, admission and program information is available in the E-Active Recreation Guide, by calling 311, or online at edmonton.ca/recreationcentres.
