## Get closer to nature's ultimate survivors

What do Bactrian Camels, Snowy Owls, Sichuan Takins, and Harbour Seals have in common? They are all ultimate survivors! Join us at the [Edmonton Valley Zoo](#) to learn all about animal adaptations and what our resident animals do to survive in the wild.

**Date:** Sunday, August 24, 2014

**Time:** Noon – 4 p.m.

The Zoo is open from 9:30 a.m. – 6 p.m.

**Location:** Edmonton Valley Zoo, 13315 Buena Vista Road

Regular summer hours and admission rates apply.

Check out our survivor scavenger hunt and learn about some of our ultimate survivors at animal touch tables. Learn some animal survival skills with science experiments and make an animal craft to take home.

We're also featuring *Game Show Mania*! Test your knowledge and win prizes in this fun, zany game that's just like the real thing you see on TV. Finish off your afternoon with an airbrushed tattoo and some live music along the new Wander Trail.

How do animals stay warm? How do they catch their food? How do they see in the dark? Find out as you *Get Closer* to nature's ultimate survivors!
