City of Edmonton

City pools welcome international athletes

The [TransCanada Corp. World Triathlon Grand Final](#) returns to Alberta's Capital City from August 26 to September 1. In support of the event, the City of Edmonton is welcoming the athletes to train in some of its pools during this international premier competition.

To balance athlete practice needs with the public's access to the sites, three Edmonton pool facilities will be adjusting their public swim hours and lane availability: Kinsmen Sports Centre, Queen Elizabeth Outdoor Pool and Peter Hemingway Fitness and Leisure Centre. Public access will vary by location. Please visit edmonton.ca/recreationcentres for scheduling information for each facility.

The City of Edmonton is a proven and proud host of many major international sports events. It last hosted the World Championships in 2001, which left a lasting legacy for the sport of triathlon in Edmonton as athletes raced through scenic Hawrelak Park and throughout the City's expansive river valley.
