From the Japanese phrase for "the sound of chit chat," Pecha Kucha Nights are fun, informal gatherings where some of our city's most engaged current and future leaders present inspirational ideas that have the power to transform our city. Topics have ranged from urban beekeeping to electric-powered cars and everything in between.

NextGen, a group of young, community-minded individuals supporting initiatives of interest to the "Next Generation," is proud to be the first to host Pecha Kucha Nights in Western Canada.
