Three concepts for 104 Avenue Corridor

Residents are invited to provide input on three alternative concepts of how Edmonton's 104 Avenue corridor may evolve.

Date: Wednesday September 17, 2014

Time: 6 – 8:30 p.m.

Location: The Heart, 10910 – 104 Avenue, NW
1st Floor, MacEwan University's Robbins Health Learning Centre

Community members and stakeholders will be asked to evaluate three scenarios and discuss a preferred direction. The three concepts are based on feedback heard at the first public workshop in June.

The feedback gathered will help draft a corridor plan and framework for future transit-oriented development.
