Date: Tuesday, September 30, 2014

Time: 7 p.m.

The amendment proposes to allow seniors apartment housing with family-oriented housing on the ground level. This development would be limited to 18 metres in height with a maximum density of 40 units. The proposal includes an underground parkade with access from the rear lane.

Attend to learn more about the proposal, ask questions and provide your feedback to the City. Feedback will be summarized in a report to City Council before their decision on the application. We look forward to hearing your feedback.
