Oliver proposed rezoning

Citizens are invited to a public meeting about a proposed rezoning and amendment to the Oliver Area Redevelopment Plan.

Date: Thursday, October 2, 2014

Time: 7 p.m.

Location: Westglen School, (10950-127 Street NW)

The application being reviewed is for the rezoning of a site at 10349 – 122 Street NW from the (RA7) Low Rise Apartment Zone to a (DC2) Site Specific Development Control Provision. The purpose of the DC2 Provision is to provide opportunity for an 11 storey, 71 unit residential building with underground parking. There would be potential for ground level commercial uses.

An associated amendment to the Oliver Area Redevelopment Plan (ARP) is proposed to allow increases in height and density on the site. Current policy of the ARP and the zoning limits development to four storey, low rise apartments for this area of Oliver.

Attend to learn more about the proposal, ask questions and provide your feedback to the City. Feedback will be summarized in a report before City Council makes a decision on the application.
