City to share plans for 127 Street

The City of Edmonton is hosting an open house to share draft concept plans for 127 Street between 118 Avenue and Yellowhead Trail and get public feedback prior to road reconstruction in 2016.

Date: Thursday, October 16, 2014

Time: 4 – 8 p.m. (presentations at 5:30 and 7 p.m.)

Location: Prince Charles School (12325-127 Street)

This meeting is an opportunity for area residents and business owners to learn how their previous input was used in the draft concept plans. The concept plan options considered: traffic growth and flow; motorist, pedestrian and transit accommodations; and design features to improve safety.

City staff will be on hand to answer questions and gather feedback on the two design options being presented.
