Public Meeting: Westmount Neighbourhood Reconstruction

Residents and property owners are invited to attend a public meeting about neighbourhood reconstruction and a Complete Streets pilot project planned for Westmount.

Date: Thursday, November 13, 2014

Time: 6:30 - 8:30 p.m.

Location: Westmount Junior High School
11125 131 Street

This meeting is an opportunity for residents and property owners to review and learn how their input informed the preliminary neighbourhood design. Additional feedback from this meeting will be taken into consideration in the final neighbourhood design.

Neighbourhood reconstruction will begin in spring 2015 as part of the Building Great Neighbourhoods Initiative. This initiative coordinates three City programs — Drainage Neighbourhood Renewal, Neighbourhood Renewal and the Great Neighbourhoods Capital Program — to improve livability through the renewal and enhancement of neighbourhood infrastructure.

The Complete Streets pilot project provides an opportunity for residents and property owners to provide input on roadway design possibilities specific to the community's local character.
