## A.C.T. pool closed for maintenance

The main pool, teach pool and hot tub at A.C.T. Aquatic and Recreation Centre will be temporarily closed beginning November 24, 2014. Normal operations are expected to resume in late February 2015.

In addition to regular facility maintenance, A.C.T. will undergo key renovations in order to offer patrons the best possible facility experience. The City of Edmonton is committed to providing Edmontonians with quality facilities. Proper maintenance ensures our patrons can enjoy facilities that are safe, secure and clean.

A.C.T. patrons can still enjoy programs and access the gymnasium, art studio, main hall, boardroom, atrium, lounge and rental spaces during the shutdown. Local residents looking for indoor pool access at this time are invited to visit Eastglen Fitness and Leisure Centre and Commonwealth Community Recreation Centre.

For other facility operating hours and program schedules, please call 311 or visit [edmonton.ca/recreationcentres](http://edmonton.ca/recreationcentres)
