Share your views about proposed Sturgeon County annexation online

The City of Edmonton and Sturgeon County recently held a joint open house about the proposed annexation of land in Sturgeon County. If you did not have an opportunity to attend the joint open house, you're invited to provide feedback through the [online survey](#).

The survey will run until December 16, 2014. The City of Edmonton and Sturgeon County would like to thank those who attended the open house and have shared their views about the proposed annexation.

The City of Edmonton's proposal to annex approximately 16 hectares (40 acres) of land adjacent to 66 Street, north of Anthony Henday Drive is supported by Sturgeon County. This section of 66 Street provides access to the Edmonton Energy and Technology Park. Should the annexation application proceed, the City of Edmonton will assume the operation and maintenance of the road.
