

Public meeting on 83 Avenue bike route

Those who were unable to attend the November 27 meeting due to the inclement weather are invited to this repeat meeting to provide feedback on the design options for the 83 Avenue bike route.

Date: Thursday, January 8, 2015,
Time: 4:30 – 8:30 p.m.
(Presentations at 5 p.m. and 7 p.m.)
Location: Old Strathcona Performing Arts Centre
8426 Gateway Boulevard

Project staff will present a bike boulevard and a cycle track design option for the route. Each design requires some trade-offs, such as removal or relocation of parking or the addition of traffic calming measures. We want to hear about the public's priorities for this neighbourhood.

Developing cycling infrastructures fulfills the vision of the Transportation Master Plan, *The Way We Move*, and it is one of the ways the City is providing more sustainable transportation options for Edmontonians.
