Neighbourhood blading delayed in some residential areas

Due to delays that came about as a result of the freezing rain received earlier this week, some neighbourhoods that were scheduled for blading on Wednesday, January 7 and Thursday, January 8 were not completed.

Crews will return on the designated days for those areas next week to complete the work as follows:

Wednesday, January 14

Hollick-Kenyon and Matt Berry

Thursday, January 15

Baturyn, Chambery, Elsinore, Kenilworth, Schonsee, Belle Rive, Crystallina Nera, King Edward Park, Bonnie Doon, Eaux Claires and Idylwyld

Residents are reminded that blading is a 24-hour operation; crews and equipment can be in neighbourhoods anytime between 12:01 a.m. and 11:59 p.m. on the scheduled day. Where possible, we ask that vehicles are removed from curbside so that crews can maximize the width of driving lanes.

The City greatly appreciates the patience of the citizens impacted by the delays.
