Proposal to rezone Boyle Street/McCauley property

Community members are invited to attend a public meeting about a rezoning and amendment to the Boyle Street/McCauley Area Redevelopment Plan (ARP). The application will continue existing uses but will allow for Secondary Suites, Garage Suites and Garden Suites under certain conditions.

Date: Wednesday, January 28, 2015

Time: 7 p.m.

Location: St. Josaphat Ukrainian Catholic Parish Hall, 9637-108 Avenue NW

The application proposes to rezone Area 6 of the Boyle Street/McCauley Area Redevelopment Plan. It includes parcels of land between 97 Street NW and 91 Street NW, south of 110A Avenue NW and North of 107A Avenue NW. The application will involve an amendment to the Boyle Street/McCauley Area Redevelopment Plan to update text.

The public meeting is an opportunity to learn more about the proposal and provide feedback to the City. Comments will be summarized in a report to City Council before a decision is made on the rezoning.
