Derived from the Japanese phrase for "the sound of chit chat", Pecha Kucha Nights are global, fun and informal gatherings where Edmontonians including some of our city's most engaged current and future leaders present their innovative ideas to transform our region. From winter driving to theatre and everything in between, all Edmontonians are welcome to experience the unique setting that is Pecha Kucha.

Edmonton's NextGen is a group of young, passionate, community-minded individuals who give a voice to Edmonton's next generation. The group works as a hub for connecting people, places, communities and ideas through events. They are proudly the first organization to host Pecha Kucha Nights in Western Canada, joining over 500 cities worldwide.

Edmonton's NextGen gratefully acknowledges Stantec for its generous support as sole presenting sponsor of Pecha Kucha Nights.
