Aster neighbourhood development proposal

Residents are invited to attend an open house on the development of the proposed Aster Neighbourhood Structure Plan. The proposed Aster neighbourhood is bordered by 23 Avenue to the north, Anthony Henday Drive to the east and south, and 17 Street to the west.

Date: Thursday, February 19, 2015

Time: 7:00 p.m. to 9:00 p.m.

Location: The Meadows Recreation Centre, Multi-Purpose Room 205
2704 – 17 Street

The plan outlines the proposed population densities and type of housing for residential developments, as well as the locations of arterial and collector roads, parks, utilities, and potential school sites. The proposal considers the unique landscape and environmental features, as well as the development opportunities and constraints, of the area.

When fully developed, the Aster neighbourhood will have a population of approximately 9,000 people.

The open house will be an opportunity to view the proposal and provide feedback to the City and the applicant.
