## Groat Road trail closes for work on 102 Ave Bridge

For eight weeks beginning **February 18**, the shared-use trail along Groat Road from 107 Avenue to Victoria Park Road will be closed to accommodate work on the 102 Avenue Bridge over Groat Road.

Pedestrian and cyclist detour signs will be in place and a [detour map](#) is available on the project website.

Construction on the 102 Avenue over Groat Road Bridge began in July 2014. A new replacement bridge is scheduled to open to traffic in fall 2015.

The City thanks pedestrians and cyclists for their patience during this necessary trail closure.
