Neighbourhood blading delayed in some residential areas

Due to delays that came about as a result of equipment issues, some neighbourhoods scheduled for blading Thursday, February 19 and Friday, February 20 were not completed.

Crews will return to those areas to complete the work on the designated blading day.

Thursday, February 26:
Avonmore, King Edward Park

Friday, February 27:
Cloverdale, Strathearn, Forest Heights

Residents are reminded that blading is a 24-hour operation; crews and equipment can be in neighbourhoods anytime between 12:01 a.m. and 11:59 p.m. on the scheduled day. Where possible, we ask that vehicles are removed from curbside so that crews can maximize the width of driving lanes.

The City greatly appreciates the patience of the citizens affected by the delays.
