City proposes future changes to 107 Avenue

The City of Edmonton is hosting an open house to share draft concept plans for 107 Avenue between 130 Street and 170 Street and to gather the public's feedback.

Date: Tuesday, March 3, 2015

Time: 4:30 – 8:30 p.m. (presentations at 5 and 7 p.m.)

Location: Fellowship Baptist Church (14323-107Avenue)

A long-range concept plan is being prepared to develop roadway modifications which will improve current traffic flow and accommodate anticipated future growth due, in part, to the addition of the west extension of the Valley Line LRT.

This meeting is an opportunity for area residents, commuters and business owners to learn more and to see how input gathered during the 2013 online public survey contributed to the plans. Several improvements are proposed, including converting the 142nd Street traffic circle into a standardized intersection.

Project team members will be on hand to provide information, answer questions and gather feedback.
