Edmonton tackles energy and environment strategy

Media are invited to attend a briefing on Edmonton's Community Energy Transition Strategy. Details of the strategy and the upcoming facilitated Council presentation and discussion will be presented by Jim Andrais, program manager, City's Environmental Strategies.

Date: Thursday, March 5, 2015

Time: 1:30 p.m.

Location: Media Room, Second Floor, City Hall

On March 18, 2015 City Council will receive and provide direction on Edmonton's Community Energy Transition Strategy (draft). The plan is a risk-management strategy designed to protect Edmonton's quality-of-life from climate and energy-related risks by reducing greenhouse gas emissions, increasing energy efficiency, promoting resilient energy system, and positioning Edmonton to participate in economic opportunities as the world transitions to cleaner energy.

The report outlining the strategy will be [live today at 11 a.m.](#)
