## Firefighters brave icy waters of the North Saskatchewan

Media are invited to attend Edmonton Fire Rescue Services' swift water ice training exercise. Firefighters will wade into the North Saskatchewan River, be carried downstream and then rescued from specialized crafts.

**Date:** Friday, March 20, 2015

**Time:** 2:00 p.m.

**Location:** Rundle Park, 2909 113 Ave. Follow the road down past the ACT centre to the end of the road, there will be a parking lot beside a small shack (Rundle Park Disc Golf Course Shack). Best vantage point is from the second foot bridge.

Swift water ice training exercises showcase the specialized training and equipment used in ice rescue operations. Training Officer Mark Harvey will be available for questions.
