102 Ave Bridge/Groat Road closure update

The City of Edmonton is on target to meet its Week Two goals for stabilizing the 102 Ave Bridge project after four girders buckled on March 16. Five separate cranes have been used to shift the weight of the girders and bracing has been installed.

Roads Design and Construction Branch Manager Barry Belcourt will provide an update on the status of bridge girder stabilization and traffic accommodations, and share the City's continued work in addressing the situation.

Date: Friday March 27, 2015

Time: 10 a.m.

Location: 125 Street & 102 Avenue (south of Original Joe's)

Media will be provided escorted access to the staging area by City staff at the time of the announcement.
