City of Edmonton

## Registration opens for Edmonton Fire Cadets

Edmonton Fire Rescue Services (EFRS) is now accepting applications for its Fire Cadets program for high school students aged 14-18. The program provides students with a unique opportunity to learn about Edmonton Fire Rescue Services while gaining skills and abilities that will better equip them to be leaders in their communities.

The program is designed to help participants develop important life skills including responsibility, personal growth, leadership and teamwork. Cadets will also have an opportunity to learn search and rescue techniques, advanced first aid and to fight real fires in controlled environments.

The program runs for 18 months, starting September 2015. Applications are being accepted until April 30, 2015. For more information on the program and the application process, please visit [edmonton.ca/firecadets](http://edmonton.ca/firecadets) or check our [Facebook page](#).
