City of Edmonton

Be Informed: Whitemud Drive to be widened from 75 Street/66 Street to 17 Street

The City of Edmonton is hosting an information session before roadway widening begins on Whitemud Drive between 75 Street/66 Street and 17 Street this spring. Residents, business owners and area stakeholders are invited to learn about the project, construction and traffic impacts.

Date: Wednesday, April 22, 2015
Time: 4 - 8 p.m.
Location: Evangel Pentecostal Assembly (foyer)
4461 50 Street

Over the next two years, the City will widen Whitemud Drive to six lanes from 75 Street/66 Street to 17 Street and build an auxiliary lane between the 66 Street and 50 Street ramps. The added lanes will be constructed over the existing grassed median and a concrete median barrier will be added. This work is being done to meet greater traffic demands and maintain roadway safety.
