City of Edmonton

City shares final Buena Vista Road design and construction details

The City of Edmonton is hosting an information session prior to reconstruction of Buena Vista Road from 142 Street to 132 Street.

Date: Thursday, April 23, 2015
Time: 6:30-8:30 p.m.
Location: Parkview School, (14313 92 Avenue)

This meeting is an opportunity for area residents and stakeholders to learn about the final designs, construction timelines and traffic impacts.

Reconstruction begins this spring. It will include:

- Removal and replacement of the road, curb, gutter and sidewalks
- Installation of raised crosswalks
- New streetlights
- Intersection improvements

A new traffic circle has also been proposed at the end of Buena Vista Road near the zoo.

The City began work on a concept plan for Buena Vista Road reconstruction in 2014. Public feedback from two previous meetings has been incorporated into the final design.
