Dive in and share ideas for the Lewis Farms Facility and Park

In keeping with its *Transforming Edmonton* vision, Edmonton's City Council recently approved \$3.5 million to support the schematic design of the Lewis Farms Facility and Park.

The City of Edmonton is hosting an open house to hear from local citizens about the types of activities they would like to do in the Lewis Farms recreation centre, public library and district park. Lewis Farms residents can also learn more about the project and the City's facility development planning process.

Date: Thursday, April 23, 2015
Time: 4 to 8 p.m.
Location: Winterburn School (9527 Winterburn Road)

There will not be a formal presentation. Representatives from the project management team, Edmonton Public Library and Edmonton Catholic Schools will be on hand to discuss the project and answer questions.

Those who cannot attend the open house can still have their say. Citizens are invited to fill out a survey about the project at edmonton.ca/lewisfarmsfacilityandpark.
