Feedback wanted on River Valley Road/Groat Road Interchange recommended concept plan

The recommended long-range concept plan for this interchange which connects three popular commuter routes -- River Valley Road, Groat Road and Victoria Park Road, is now available for the public to view. It includes maintaining all the existing movements, as well as improvements to specific sections of the interchange.

The plan was developed following a public engagement process and the City is now accepting further feedback on the recommended [concept plan](#) through an [online survey](#) that will remain open until June 15, 2015.
