City of Edmonton

Live the green home dream!

Media are invited to join potential homebuyers at a public information session to learn about the City's new development in Laurel Green. The City is offering 102 lots for public sale in Laurel Green, a new southeast community where a variety of housing options including duplexes and single family homes will be built to high environmental standards.

Date: Wednesday, June 3, 2015
Time: 6 - 9 p.m. (presentations begin at 7 p.m.)
Location: Meadows Rec Centre, 2704 17 Street NW

All interested buyers must register online between 8 a.m. on June 3 and 4 p.m. on June 10 for a chance to be randomly selected to attend a lot selection on June 24.

All homes built on the City lots must reach an EnerGuide rating of 80 or more or be Built Green gold certified, and be constructed solar ready for future installation of solar panels. The Laurel community offers an 11 acre lakeside park, playground and walkways and is conveniently located near schools, a hospital, shopping centres and The Meadows Rec Centre. Laurel Green is one of the up-and-coming, sustainability inspired neighbourhoods in south Edmonton.
